

NEWMARKET FINANCIAL ADVISER ACHIEVES CHARTERED STATUS

The Chartered Insurance Institute (CII) has awarded the prestigious 'Chartered Financial Planners' title to Atkinson Bolton Consulting Limited, one of East Anglia's leading providers of financial advice.

Chartered status is an exclusive title only awarded to firms which meet rigorous criteria relating to professionalism and capability. All Chartered Financial Planners commit to the CII's Code of Ethics & Conduct reinforcing the highest standards of professional practice in their business dealings.

Atkinson Bolton Consulting Limited specialises in providing advice on all types of investment and wealth management for individuals and businesses throughout East Anglia.

James Bolton, Director, who holds the individual Chartered Financial Planner title, says that securing Chartered Financial Planners status is a landmark for his company: "We have always prided ourselves on being thoroughly professional in everything we do, and to receive external recognition in this way is very gratifying. As Chartered Financial Planners, we can signal our commitment to the highest levels of service to our clients."

To date only just over 200 firms have achieved Chartered Financial Planners status, indicating that this is a highly exclusive award reserved for the leading firms within the financial advice market.

Atkinson Bolton Consulting was established in January 2001 with the clear objective of providing, quite simply, the best levels of customer service in the financial services profession. They have won many awards including New Model Adviser of the Year in 2008. To arrange a meeting or make a booking to attend one of their 2009 seminars (a full list can be found at www.atkinsonbolton.co.uk), please telephone their offices on 0845 458 1223.
